ULTRASOUND EXAMINATION PREPARATIONS

- ABDOMINAL ULTRASOUND**
Have nothing to eat or drink for 8 hours before the appointment.
You can drink a small amount of water (or juice if diabetic) if necessary to take medication.

- PELVIC ULTRASOUND**
1 litre of water must be finished 1 hour before your appointment.
Do not empty bladder before the test.
There are no restrictions on eating.

- ABDOMINAL AND PELVIC ULTRASOUND**
Nothing to eat or drink after midnight except for 1 litre of water finished one hour before appointment.
Do not empty bladder before the test.

- EARLY OBSTETRICAL (less than 16 weeks pregnant)**
Same as Pelvic.

- OBSTETRICAL (more than 16 weeks pregnant)**
No preparation required.

- THYROID OR SOFT TISSUE ULTRASOUND**
No preparation required.

- RENAL**
Finish drinking 1 litre of water 1 hour before the appointment.
Do not empty bladder before the test.
